In order to enter the gated pool area, each Oak Hills resident is required to have purchased a 2015 Rec/Pool tag. Please display your current tag at the pool gate prior to entrance. This enables staff to insure pool is only being used by residents of Oak Hills and their guests.

OAK HILLS SWIM TEAM

The Oak Hills Swim Team is an eight week summer swim program offering a training opportunity for young athletes. Our swim team has now been competing for over forty years! Swim Team registration is open to all Oak Hills residents and their families. Registration is also open to swimmers from outside Oak Hills if they are sponsored by a resident. Team size is limited and priority is given to Oak Hills residents and their families over sponsored swimmers.

Please contact Christina Matousek at oakhillsrec@gmail.com to schedule an evaluation.

Due to the improving strength of our swimmers, over the last few years we have begun the transition to a combination of skill and age based groups. Our groups this year are based primarily on age with skill, safety, and development as strong considerations. As in previous years, please sign up for the age group listed. However, coaches may suggest movement to best serve the athlete. Ages may be more mixed this year as this transition continues. Swimmers will not be required to move.
