11945 SW 70th Avenue,
Tigard, OR 97223-8566

Dear Dorene,

Thank you again for TVFR's outstanding support of the Oak Hills National Night Out Sunday evening, August 4th. This year, about 415 Oak Hills' residents of all ages participated in the event. Please extend our thanks to both the Station #68 and the volunteer teams, who spent quality time at each of our 14 party locations.

The National Night Out affords us the chance to get to know our neighbors and to meet some of the emergency services people who serve us all year. Again this year, the TVFR participation was a highlight of the evening, particularly among our children. I have included some of the photos of your teams' interactions during the Night Out.

We are grateful for your continued support of our community and hope to continue to build our relationship for many years to come.

Most cordially,

A handwritten signature in black ink that reads "James W. Dearey". The signature is fluid and cursive, with a large initial "J" and a long, sweeping tail on the "y".

James W. Dearey
Coordinator,
Oak Hills Neighborhood Watch
