RE: Metro West Support of Oak Hills 2022 National Night Out

Dear Sarah,

Thank you for the outstanding level of support Metro West Ambulance rendered to this year's Oak Hills National Night Out, July 31st and August 2nd.

This year, an estimated 427 Oak Hills residents participated in the Night Out, and despite multiple, heat-related challenges, your team was able to visit 75% of our participating parties.

There were several complements from party organizers about your teams' interactions with our residents. Some of those interactions were captured in the photos on the reverse side of this note. We appreciate Metro West's continuing support of our community!

Sincerely,

Jim Dearey
Oak Hills Neighborhood Watch
Coordinator
