RE: Tualatin Valley Fire and Rescue Support of Oak Hills 2022 National Night Out

Dear Dorene,

Thank you again for TVFR's consistent support of our Oak Hills National Night Out event, July 31st and August 2nd. This year, an estimated 427 Oak Hills residents participated in the Night Out, and despite multiple, heat-related challenges, a total of 16 separate parties took place either Sunday or Tuesday evening.

Our party planners and residents asked me to convey to you their thanks for your teams' participation. A highlight of the Bonneville Place party occurred when you team was called away from their party to answer a service call. We truly appreciate everything TVFR does for us during the Night Out and throughout the year!

Sincerely,

Jim Dearey
Oak Hills Neighborhood Watch
Coordinator
