RE: Washington County Sheriff's Office Support of Oak Hills 2022 National Night Out

Dear Patti,

Thank you for WACSO's superb support of our 2022 Oak Hills National Night Out. The 2022 event was not without its challenges. Because of the heat, residents canceled four parties, with little or no notice. However, even with the cancellations, our community held sixteen, separate parties, the most in recent memory.

This year's WACSO support was the best we've ever had. Not only did your team members visit each of our parties and engage in quality interactions with our residents, but they also drove by the sites of canceled parties to ensure your coverage was complete.

We are mindful of and appreciate the resources you committed to this event, as well as the professionalism displayed by your teams as they provided this support. Photos of some of your teams' interactions with our community appear on the reverse side of this letter.

Sincerely,

Jim Dearey

Cc: OHHA, Sgt. Chris Plewik
